GENERAL RULES AND REGULATIONS

Approved by the Board of Directors January 2007

Introduction

The objective of this pamphlet is to inform owners and renters of the norms established for making Arrowhead an attractive place to live. Arrowhead is a one-family residential condominium. No business or trade can be conducted in the units. These guidelines are based on Chapter 718 of the 2000 Florida Statutes, the Condominium Documents, and the approved decisions of the Board of Directors. The Board is elected each February and periodic meetings are held during the year. Dates and hours are posted on the bulletin board at the clubhouse. The Condominium Documents should be consulted for complete guidelines governing the condominium association. Our management company is

Sun Vast Management Services, Inc. located at 381 Interstate Blvd, Sarasota, FL 34240

WHAT IS A CONDOMINIUM?

A condominium is a form of ownership in which the units are owned individually and the common elements such as buildings, recreational facilities, roads, grounds, etc. are owned collectively. Unit owners, their invited guests and renters must observe all law's provisions of the Condominium Documents, and the Rules and Regulations adopted by the Board of Directors. Each owner must have the complete Condominium Documents and should understand their contents. Only through consideration for the rights of others and compliance with the Rules and Regulations can we maintain harmony for which Arrowhead is noted.

SALE AND RENTAL OF UNITS

No sale or lease is valid without prior written approval of the Board of Directors, Complete information about Lake Arrowhead and a copy of the Rules and Regulations can be picked up by contacting with our property manager. It is the owner's responsibility to orient all renters and buyers concerning the rules and regulations of Lake Arrowhead Condo Assoc., Inc.

The application to sell or lease must be completed in its entirety and be legible to permit the verification of the information. An application fee of \$100.00 is required and must accompany the application when submitted. The necessary forms must be in the hands of the Reception Committee at least five (5) days prior to the scheduled interview. All adult occupants of the premises must be participants in the Reception Committee interview. Within ten (10) days, a letter will be prepared advising of the decision of the Board to approve or disapprove the sale or lease. The committee must also approve subsequent new occupants.

MINIMAL RENTAL PERIOD

No unit will be leased for a period less than twelve (12) months. No sub-leasing is permitted. The Reception Committee must interview all renters.

MAINTENANCE FEES

Maintenance fees are established in January and are based on the approved budget for the year. Fees may be paid monthly or quarterly. Payments made be made by ACH or check. Checks are to be made payable to "Lake Arrowhead Condo. Assoc.". Please write your unit number on your check. These fees are due on the first day of each month and considered delinquent after the tenth (10th) day of the month due. If payment is no received by

Lake Arrowhead Condo Owners Association, Inc.

the 15th, our management company may turn the matter over to our attorney, The delinquent owner will pay all costs.

GUEST AND VISITORS

Guests are limited to one 30-day period during any calendar year. Extensions can be made but the Board of Directors when a written request is made; however, the total stay cannot exceed 90-days. Guests using the recreational facilities must be accompanied by a resident or carry some identification related to a resident. No blank invitations are permitted.

PETS

No unit may have more than one dog, or one cat and the animal cannot weigh more than twenty (20) pounds. No animal is allowed to run loose on the property. No animal is allowed in the gated pool area. Owners are responsible for picking up all dog waste. Pets should be walked along the perimeter roadway, along the walk on Beneva road, and on the grass on the west side of the pond.

PEST CONTROL

Each owner is responsible for pest control in their unit. This includes ants, roaches, moths, etc. A rodent control program is in force for the common area. Bait boxes are scattered throughout the grounds.

WILDLIFE FEEDING

Under Federal Law, Migratory Bird Protection Act, feeding of any kind of Florida wildlife is strictly forbidden. This includes all type of birds (egrets, herons, cranes, etc.) squirrels, racoons, etc. Bird feeders are not permitted as the seeds attract rodents. The local sheriff's department enforces this law. This law also states that none of the above should be permitted inside a dwelling.

TRASH AND GARBAGE

The carport storage shed located closest to the road are to be used ONLY for trash cans (2 per shed) and recycling bins. Trash and garbage are picked up every Tuesday, generally very early in the morning and may be set out after 5 PM on Monday. Each unit has a container for recycled materials including newspapers, magazines, plastics, cardboard boxes, etc. Note Cardboard boxes must be flattened. Cans which contained food should be washed before placing in container. All other waste must be placed into a metal or plastic garbage can with a secure top, to prevent racoons and squirrels from getting inside. Return waste containers into shed after trash pickup.

Please place all waste containers AWAY from all mailboxes so as to not interfere with mail delivery.

No food should be put in the garbage container unless it is wrapped in a plastic bag and securely closed at the top. The garbage disposal unit in the kitchen should be used to the maximum. If there is a small quantity of food that cannot be put down the disposal unit it should be kept in the freezer until the pick-up day. Additional instructions for the handling of garbage and recycling are contained in the daily newspaper and the special booklets given to all newcomers.

NOTE: The dumpster at the entrance to the condominium property is for **YARD WASTE ONLY**.

No vehicle parking is permitted on the road other than in the visitor's parking areas.

Because of the presence of children, elderly people and certain handicapped residents, the approved speed limit is 10 mph.

EMERGENCIES AND SAFETY

FIRE

Each unit was originally equipped with a smoke detector. The smoke detector is checked by observing the small light on the face of the equipment, If the light is not seen, the detector must be checked. Smoke detectors are mandatory and should be tested periodically. A good time to check them is when daylight savings time begins and ends.

A fire extinguisher is located at the front of each unit. The instructions for its use are on the extinguisher and should be read and understood before you have to use it.

Gas and charcoal grilling are permitted on the ground. However, safety is a concern. The Fire Marshall recommends that grilling be done at least 5 feet clearance from combustible materials. Grilling is allowed between buildings.

Only electric grilling is allowed on lanais.

ACCIDENTS

Our stairways and walkways are lighted. Even so, great care must be exercised when elderly people use them. Burned out bulbs should be reported in an Action Request Form (located at the office or online) to the Property Manager immediately.

OUTSIDE WATER TURN OFF

If a unit owner will be away from their unit for more than two days, they must shut off the water to their unit at the outside turn off. A unit owner who fails to comply with this rule shall be responsible for any damage caused to the common elements or another unit.

Lake Arrowhead Condo Owners Association, Inc.

INSURANCE

Outside air conditioning compressors area covered by the Association Master policy against peril. Arrowhead is in a "Zone C" classification regarding flood potential, and the flood insurance is not required. Zone C is in the highest classified rating.

PLANTS

Plants may be placed on the second-floor walkways; however, not in a manner as to impede or reduce the exit for emergency use. Doubts can be clarified by referring to the approved policy and the use of common sense. No hanging plants should be hung above the entranceway to the downstairs condo. This is to avoid dropping water on the persons using the downstairs entrance. **It is critical that all plants, including those on lanais, must have a drip pan to hold excess water.**

BUILDING

TRADES people are allowed from 7:30 AM and must be out by 5:00 PM except in an emergency. No alterations with regard to the buildings, including lanais, can be made without Board permission. This includes exterior painting, construction alteration, hurricane shutters, signs that can be viewed from the exterior, etc. A realtor "Open House" sign can be placed at the entrance from Beneva and another to indicate the location of the unit.

No wires, TV or short-wave antennas, masts, or other similar items, shall be erected, constructed, or maintained on the exterior of any building. No clothesline, hangers, or drying facilities are permitted on the exterior of the buildings or in the common areas.

VEGETATION

The selection, maintenance, location of shrubs, trees, flowers, and other vegetation are the exclusive responsibility of the Board through the Ground Committee, maintenance staff, and manager. Flowers are for the beautification of the condominium property and should not be picked for personal use. However, owners at their own expense may plant flowers, shrubs, etc. in the common area planters adjacent to their buildings. All owners of the building should be included in the decision-making process.

All vegetation must be approved by the Board and the Grounds committee. This will avoid:

- 1) Vegetation not conducive to Florida and Arrowhead
- 2) Vegetation that requires excessive care.
- 3) Vegetation banned by the Florida State Agricultural Department.

STORAGE

Carports, lanais, and walkways are not to be used to storage. This includes bicycles, skateboards, beach/pool gear, boxes, appliances, etc. Each unit has an inside closet and/or attics plus a storage shed outside.

HOLIDAY DECORATIONS

Residents are encouraged to decorate during the holiday season. Residents may decorate the deck areas of their units. Residents are not to decorate the common areas, such as in the planters around their units. Only the Association via the Board can decorate in the common areas.
